

# CONTENTS

## **Part I – Introduction and Plan Development**

**Chapter 1: Introduction**

**Chapter 2: Development of State and Local Mitigation Plans**

## **Part II – Hazard Analysis and Risk Assessment**

**Chapter 3: Identifying Hazards—Assessment and Summary**

**Chapter 4: Dam Failure**

**Chapter 5: Drought**

**Chapter 6: Earthquake**

**Chapter 7: Expansive Soil**

**Chapter 8: Flood**

**Chapter 9: Hail**

**Chapter 10: All Hazards Including Terrorism, Hazardous Materials and Hazardous Waste**

**Chapter 11: Landslide**

**Chapter 12: Lightning**

**Chapter 13: Liquefaction**

**Chapter 14: Mine Subsidence**

**Chapter 15: Snow Avalanche**

**Chapter 16: Tornado**

**Chapter 17: Wildland Fire**

**Chapter 18: Windblown Deposits**

**Chapter 19: Winter Storms and Blizzards**

**Chapter 20: Vulnerability of State Facilities to Hazards**

## **Part III – Mitigation Strategy**

**Chapter 21: Capability Assessment**

**Chapter 22: State Mitigation Strategy**

**Chapter 23: Plan Maintenance and Implementation**

## **Appendices**

- A. County-Level SHELDS**
- B. Hazards—by County**
- C. State-Wide SHELDS**
- D. State-Wide HAZUS Earthquake 2010 (draft)**
- E. State-Wide HAZUS Flood 2010**
- F. State Building Insurance Claims**
- G. State-Level Disaster Declarations**
- H. Statewide Storm Spreadsheet**
- I. Census 2010-National Population Change 2000-2010**
- J. Forest Resource Strategy June 2010**
- K. Mini Mobilization Plan 2010**
- L. Project Prioritization Mitigation Planning Meeting 5.18.11**
- M. Social Vulnerability Index Map – Region VIII**
- N. State Buildings Combined Schedule**
- O. Tornado Graph**
- P. Wyoming Statewide Forest Resource Assessment**
- Q. Wyoming Social Vulnerability Index Map**
- R. WYSAC Survey-Public Views on Wyoming Hazards & Mitigation**
